

	Penetration panel	AQL Screened Room 6 is one of our new lined chambers, it was commissioned for specifications such as and earlier MIL STD and RTCA DO160 specifications, however portable RAM walls can be deployed to provide effective damping if required. This chamber has a fixed ground plane configuration and is fully equipped for both single and three phase 50Hz, 60Hz, 400hz and 800Hz AC supplies and high current DC supplies and features the common penetration panel arrangements used throughout the facility.
